Committee Openings 2024/2025

Representatives from the WNYLRC membership are appointed to WNYLRC Standing Committees by the WNYLRC Board of Trustees Executive Committee. Each standing committee can have up to 13 members from the membership (12 Governing and 1 Patron) in addition up to 2 other standing committee or subcommittee liaisons, and one committee member emeritus. There is only one Patron Membership opening per committee and its term fluctuates. Care is taken in appointing broad representation from all types of libraries (private academic, public academic, public, school, special, and patron membership) as well as geographic areas to ensure a balanced committee.
