# AcademicSHARE

The following Academic Member libraries have agreed to allow on site access and lend materials to any college student and/or faculty member without an InfoPass card. However, a valid college I.D. is required. The library may choose to treat the college I.D. as confirmation the student/faculty member is in good standing. The library also has the option of calling or emailing the student/faculty member's home library to secure confirmation of their standing.

In addition, all of the libraries listed below have agreed to continue to provide services to InfoPass cardholders who are not AcademicSHARE participants.
