YOU CAN BE A LIBRARY ADVOCATE

This is your opportunity to inform government representatives of the ways libraries, librarians, and library staff in their districts are addressing diverse needs of all people in the community.

Below are the scheduled dates for library advocacy meetings - WE ARE BACK IN PERSON!

- You are invited to attend as many of the meetings as you like - whether to meet with a representative serving the district you live in, or a district your library is located in.
- You can share this information with anyone else from your library (staff or patron) who might also be interested in attending.
- Don’t know who represents your library? We have that information for you on the WNYLRC Members page!
- If possible, please send your name and the names of anyone else who plans to attend (and which meeting!) ahead of time to Heidi Ziemer (hziemer@wnylrc.org)
